

Diamond Star Block

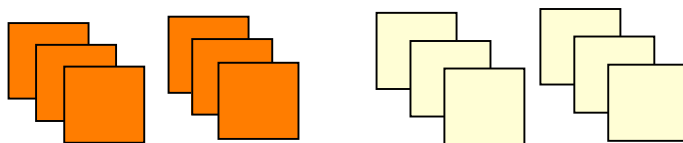

12 inch block

For your two-color quilt select one fabric in each color.

Cut six $3\frac{7}{8}$ squares from color A and six from color B, for a total of twelve squares.

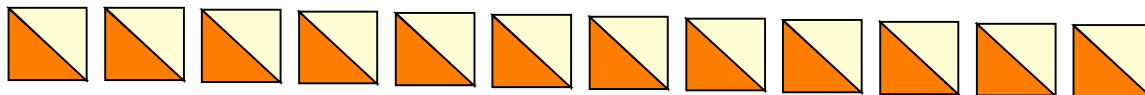

Match one square of each color, right sides together.

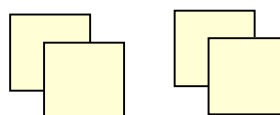

On the lighter fabric draw a diagonal line and sew a scant $\frac{1}{4}$ -inch on either side. Cut on the drawn line and press towards the darker fabric.

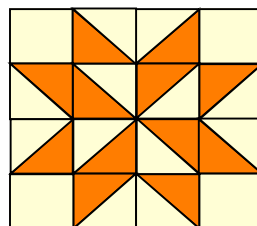

There will be a total of twelve half square triangle blocks. These should measure $3\frac{1}{2}$ inches.

Cut four $3\frac{1}{2}$ inch squares of color B fabric.

Assemble into rows and then into the block.

Different size blocks from the Diamond Star Block

- 9-inch block cut $3\frac{1}{4}$ inches for the half square triangle blocks, cut squares $2\frac{3}{4}$ inches
- 6-inch block cut $2\frac{3}{8}$ inches for the half square triangle blocks, cut squares 2-inches
- 3-inch block cut $1\frac{5}{8}$ inches for the half square triangle blocks, cut squares $1\frac{1}{4}$ inches
