

# Tone on Tone Saw Tooth Star Block

## Cutting Instructions:

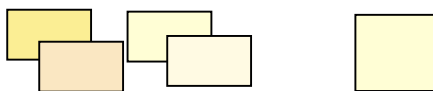

Cut four 3-1/2 squares from assorted background fabric.

From the assorted background fabric cut eight 3 1/2-inch squares

From the assorted background fabric cut four 3 1/2 x 6 1/2 inch strips and one 6 1/2-inch squares.

## Construction:

Make 4 geese units : Mark diagonal lines on 8 of the 3 1/2 inch squares. Place one 3 1/2 inch square on each 3 1/2 x 6 1/2 inch strip and sew on the diagonal line drawn. When all four are sewn, trim 1/4 inch from the outside of the seam and press open.

Now place another 3 1/2 square on the opposite corner and stitch on the seam.

Assemble the units into rows as shown and then into the block
