

Stars on the Water

Block 1 – Rolling Star

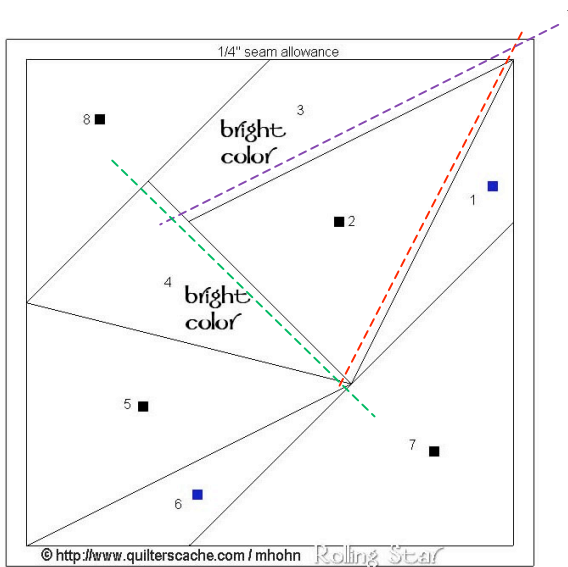

Template is available at :

<http://www.quilterscache.com/R/RollingStarBlock.html>

Print 4 copies of the template at 100%. In addition to the background fabric listed above you will need:

<u># pieces to cut</u>	<u>Colors</u>	<u>piece # on pattern</u>	<u>width</u>	<u>length</u>
4	color 1	1	5 1/2	1 1/2
4	color 1	6	5 1/2	1 1/2
4	color 2	3	2	5 3/4
4	color 3	4	4	2 3/4

To make placement easier, I take a colored marker and draw a line 1/4 inch from the seam line as shown below. The first drawn line would be in section 2. That way I know where to place the first piece and line up the second piece (light) for a 1/4 inch seam. Pin or use spray adhesive or a dab of fabric glue so the piece doesn't slip while you are moving or sewing.

Block 2 – Giant Star

Template available at:

<http://www.quilterscache.com/G/GiantStarsBlock.html>

Print 4 copies of the template at 100%. In addition to the background fabric listed above you will need:

<u># pieces</u>	<u>Colors</u>	<u>piece #</u> <u>on</u>	<u>width</u>	<u>length</u>	
4	color	2	3 1/2	9 1/4	template A
4	color	2	8 3/4	3 1/4	template B

There are two templates for this block. Sew the pieces according to the order on the template.
